Reflect on the above.

Using the above create a charter showing a criteria for effective Christian leadership within your school community.

Solutions to Worksheet CC-CC538: Christian Leadership

Christian leadership must be rooted in the Gospel example of Jesus and his disciples.

Christian leadership requires:

- us to serve the needs of others
- us to set an example through Christian values
- each person to use their gifts and talents to help build community.

Authentic Christian Ministry and Leadership is characterised by:

- service
- prayer
- hope
- and exists to carry out the mission of the Church in the world.
